

APES Field Trip
Review of Terms

Concept	Explanation of Photo
A-horizon	
Abiotic	
Adaptive management plan	
Albedo	
Alien species	
Autotroph	
Nitrogen cycle	
Biomass	
Cellular respiration	
Chemical energy	
Chemical weathering	
Community	
Competition	
Consumer	
Decomposer	
Density-dependent factor	
Deposition	
Detritivore	
Disturbance	
Ecological succession	
Ecosystem service	

APES Field Trip
Review of Terms

Concept	Explanation of Photo
Erosion	
Floodplain	
Impermeable surface	
Inorganic compound	
Invasive species	
K-selected species	
Limnetic zone	
Littoral zone	
Net primary productivity	
Niche generalist	
Non point source	
Open system	
Pioneer species	
Restoration ecology	
Runoff	
Secondary succession	
Temperate seasonal forest	
Troposphere	
Watershed
